PRESIDENTIAL STATE OF THE HILL ADDRESS:

I hope you all had a Merry Christmas and Happy New year. It's always nice to end the year with opportunities to get together with family and friends to celebrate the holiday season and give thanks for the bounty we have. It's a nice reality check when compared to what we are bombarded with in the news media the rest of the year. What started out as a wet, cold and miserable fall ended up as a fairly mild end of the year. Let's hope the heavy snows and extended cold periods miss us this year.

This is my first address to you the members, as your president. It is my hope that along with the board, and of you, the membership, that I can lead the club in a positive direction and provide some new ideas that may help to grow the club. I don't profess to know everything and therefore ask for any help, advice and encouragement that you may have to offer. I ask you all to keep in mind that many hands make short work. Instead of relying on someone else to step up and take care of things, I ask that you consider helping in any way you can. There are jobs for everyone to pick and choose; from physical work to perhaps making a few phone calls or helping to coordinate events within the club.

For those of you who don't know me, please allow me to give you a little of my history. I farm in the extreme northwest corner of Chippewa County and live on the farm I grew up on. I also farm in Swift County. I started plowing these fields at the age of 7 with the very same One-Ninety Allis Chalmers tractor that I have had to the show several times. I rented my own ground at the age of 13. I raised cattle and hogs until the late 90's. I worked as a mechanic at CAS in Montevideo, and also spent 6 years at Arlen's Auto Clinic in Appleton to supplement the farm income. I married my wife Reba in 1988 and together we have two daughters, Elizabeth Peterson of Pipestone and Becky Timm of Wood Lake. Both are married and each have a child. Reba and I have greatly enjoyed being grandparents.

My father, Duane Grube, joined Minnesota Valley Antique Farm Power and Machinery Association in the mid 90's. In 1997 he convinced me to haul a few of his tractors to the Swenson Farm and join in the weekend festivities. He bought two gifts for me for my birthday which was a week after the show. One was a membership to MVAFPMA and the other was to take me to Pioneer Village in Madison, South Dakota as they were featuring International Harvester. We had a great time together and were looking forward to having many more years of enjoyment together at the MVAFPMA annual shows. Unfortunately that was not to be as two weeks after the Madison show, he had passed away. I've been a member of Heritage Hill since then and have served on the board of directors a couple of different times. I've enjoyed working with everyone at The Hill and hope we have many years ahead of us. Please note that due to a scheduling issue, the January membership meeting will be held January 14 at the Community Center. I'll look forward to seeing you all there.

Chip Grube

Special Announcement:

Heritage Hill is in need of someone willing to do the newsletter. This is something that's very important to the club. If no one steps forward in the near future, the publishing of a monthly newsletter could be in jeopardy. Please consider helping with this. It is a job that doesn't require physical exertion or a lot of time.
